Unit 2189, 1133 Ipswich Road, Moorooka QLD 4105

## Forager Harvesting Aid

Autonomous harvesting platform with in-field refrigeration — designed for raspberry, blackberry & blueberry operations

**14–16h**

BATTERY RUNTIME

**2–18°C**

REFRIGERATION RANGE

**100**

TRAY CAPACITY (1.5KG EACH)

### PHYSICAL

DIMENSIONS	<b>L 2.2m × W 1.05m × H 2.0m</b>
WEIGHT (EMPTY)	<b>450 kg</b>
MAX PAYLOAD	<b>500 kg</b>
REFRIGERATED STORAGE	<b>100 × 1.5kg trays</b>
TOW HITCH	<b>Pintle hitch + 50mm ball</b>
WEATHER PROTECTION	<b>Rain-proof, corrosion resistant</b> Suitable for outdoor operation and storage

### NAVIGATION & SAFETY

NAVIGATION	<b>AI Vision + RTK GPS</b>
OBSTACLE DETECTION	<b>3D cameras with automatic stop</b>
SPEED RANGE	<b>0–4 km/h (follows picker pace)</b>
PICKER FOLLOWING	<b>Up to 2 pickers simultaneously (raspberry/blackberry config)</b>

### POWER & REFRIGERATION

BATTERY RUNTIME	<b>14–16 hours</b>
CHARGE TIME	<b>6 hours (overnight)</b>
REFRIGERATION	<b>2–18°C maintained</b> Grower-adjustable temperature range

### CONNECTIVITY

STANDARD	<b>4G/5G radio</b>
REMOTE OPTION	<b>Starlink compatible</b> For farms with limited cellular coverage
DATA LOGGING	<b>Sensors, cameras &amp; GPS feed third-party software for field mapping and yield forecasting</b>

### SUPPORTED CROPS

RASPBERRY	<b>Follows pickers, carries punnets, 2 pickers per platform</b>
BLACKBERRY	<b>Follows pickers, carries punnets, 2 pickers per platform</b>
BLUEBERRY	<b>Ride-on seat configuration</b> In development — field testing 2026

**\$3,000** /month per platform

Service model — no upfront capital cost

Delivery & setup: \$2,000 **WAIVED**

Limited early adopter purchase options available  
ROI positive from first season in most operations

## KEY FEATURES

- ✓ Autonomous picker following — no manual driving
- ✓ On-board refrigeration keeps fruit cold from field to truck
- ✓ Eliminates walking, sorting and double handling
- ✓ Centimetre-level RTK GPS path planning
- ✓ 14+ hour battery lasts a full harvest day
- ✓ Weather-proof and corrosion resistant
- ✓ Tow hitch for off-season utility (slasher, sprayer)
- ✓ 4G/5G connectivity with Starlink option
